

Sixth Form Enrichment at Maiden Erlegh School

Enjoy, achieve, inspire!

INDUCTION AND TEAM BUILDING

Army Day

As part of Sixth Form Induction week, all new students take part in our team building day organised by the Army.

Moving into the Sixth Form is a big change and involves using new skills, such as problem solving; being able to take the initiative and making new friends.

Through the day's activities, led by members of the armed forces, students can experience using these skills and working with new people in a fun and exciting way.

Staff Student Barbecue

At the start of the year, Year 12 and 13 students enjoy a barbecue with the staff - sometimes in the sunshine and sometimes in the rain (but we always have fun!).

CHARITY EVENTS

Working together to make a difference to the lives of others.

RED NOSE DAY

Friday 18th March 2011: over £3,000 raised!

All students in the school contributed to raising a fantastic sum of money for Comic Relief.

Students had the opportunity to: wear non uniform, accessorise with red items, buy red noses, take part in a quiz and play fancy dress dodgeball!

JEANS FOR GENES!

Every year 30,000 children in the UK are born with a genetic disorder.

On Friday 26th November 2010, the sixth form students paid £1 to wear their jeans to school to raise money to help families suffering with genetic disorders.

MAIDEN ERLEGH'S GOT TALENT: FRIDAY 8TH APRIL 2011

Last year's Senior Team started the trend of showcasing talent at Maiden Erlegh School and as a result this year's Senior Team decided to run the fantastic show again. Students from all years auditioned. The judging panel narrowed down the long list to just twelve of the finest acts Maiden Erlegh has to offer.

The final show was held in the *Sports Hall*. The cost of a ticket was £1 and all profit made has been donated to the *Starlight* charity. *Starlight* brightens the lives of seriously and terminally ill children by granting them once-in-a-lifetime wishes and providing entertainment for children in hospitals and hospices throughout the United Kingdom.

The event was a sell out! Students from all year groups within the school were represented as performers and in the audience.

The winner was: year 7 Sophie Atherton

The runner up was: year 12 Vyran Dhindsey
